

David Benforado Scholarship

*Air & Waste Management Association – Upper Midwest Section
invites you or your organization to consider supporting a scholarship fund
in honor of former member David Benforado*

In 2005, A&WMA Upper Midwest Section donated \$10,000 to establish a scholarship fund in honor of former member David Benforado. Today, the David Benforado Memorial Scholarship is awarded in recognition of air pollution reduction and control and waste minimization to support graduate students pursuing careers in air quality, waste management, and environmental management, policy, or law. In order to allow this scholarship to be awarded annually, A&WMA UMS is asking its membership and member companies to contribute to this fund.

A&WMA Upper Midwest Section will match all donations by individuals and organizations up to a total of \$5,000.

All donors will be acknowledged on the A&WMA UMS website as well as at the Annual Conference on the Environment.

Please contact Anne Fleisher (Anne.Fleisher@fhr.com or (651) 437-0539) for questions or more information.
